

SEA CARE

HEAVY DUTY SILICONE Sprayway Sea Care HD Silicone lubricant and release agent is a high solids (6%) blend of medium and high viscosity silicone fluids. It leaves a colorless, resilient wet film when applied and is recommended for difficult release applications (rubber moulding) as well as lubricant where high friction may be encountered in the marine environment.

USE ON rubber molding where it may encounter friction and abrasion and also zippers, sliding metal parts, hinges, pulleys and door tracks.

13 oz 12 ct Cans

Product Information

Part #	SW1208
Item UPC	0 41911 01208 9
Case UPC	10041911112083

Item Specifications-12 Pk

Case Pack	12
Can Size	20 oz.
Net. Wt.	13 oz.
Each Length	2.7 in.
Each Width	2.7 in.
Each Height	10 in.
Case Weight	14 lbs.
