

PRODUCT TECHNICAL DATA SHEET

SW920 Polishing Oil

DESCRIPTION: The Polishing Oil for glass & mirror professionals is formulated for grinding and polishing all metals and glass. No. 920 minimizes belt loading and changing, increases production and improves finishes. It extends the working life of abrasive belts and wheels.

USES: For use on abrasive belt or set-up wheel - keeps the belt soft and free-cutting. Recommended use of the spray is following every half hour of use. Excessive use will not harm the belt.
