

SW1009 RTV Silicone Gasket Maker Black

DESCRIPTION: This R.T.V. Sealant Adhesive is an instant gasket maker, replaces a wide range of cork, paper, asbestos, felt and metal gaskets. Has excellent adhesion characteristics, high chemical resistance and will not sag or shrink. Withstands intermittent temperatures up to 500°F and pressures up to 330 psi. Offers unmatched performance under the most severe operating conditions. Virtually unaffected by chemical deterioration, extreme weather, temperature or aging.

USES: FORMS IN-PLACE GASKETS and SEALS FOR: Pumps, High Pressure Pipe Joints, Oil and Transmission Pans, Oil and Water Pumps, Valve and Timing Chain Covers, Electric Motors and Electrical Control Boxes, Gear Boxes, Compressors, Machine Covers, Rigid Flange Assemblies, Equipment Housings. Specifically designed for all oxygen sensor equipped vehicles. This product meets the requirement of FDA Regulation 21 CFR 177.2600, when fully cured and washed.
